DISABILITY RESOURCE LIST

Note: Inclusion in this resource list does not constitute endorsement by King County Government, nor does omission imply non-endorsement. Our goal is to provide you with information on some available key resources. Please let us know if you are aware of a useful resource missing from this list.

ADA Technical Assistance Hotline (U.S. Department of Justice – DOJ)

Provides free technical assistance and informational materials to people with disabilities, businesses, state and local government agencies, and the general public to help them understand their rights and responsibilities under Titles II and III of the ADA.

DOJ, Washington, D.C. 800-514-0301 V or 800-514-0383 TTY
www.usdoj.gov/crt/ada/adahom1.htm

Governor's Committee on Disability Issues and Employment (GCDE)

The Governor's Committee advises and informs the Governor, state and local governments, the business community and the disability community on ADA and other issues related to disability policy. GCDE publishes "Producing Materials in Alternative Formats: A Guide for Agencies," which provides information on producing materials in large print, on audio tape or computer disk, and Braille. Send a written request for a copy.

Washington Telecommunications Relay Service (TRS)

TRS provides full telephone accessibility with TTY users. Specially trained Communication Assistants relay messages electronically by typing on a TTY or by voicing information to hearing parties. TRS is available 24 hours a day, 365 days a year, with no restrictions on the length or number of calls placed (no additional cost--calls are billed at regular rates). TRS also provides speech-to-speech services when one party to the call has a speech disability.
